

FCAB - General Data Protection (GDPR, Cookies)

Cookies on FCAB - Cadbox website:

1. A session cookies is created when you enter Cadbox website, this cookie is only used to determine if you are logged in or not. Cookies are not used for any other purpose.

FCAB - Cadbox contact page / form:

1. To send us a message via Cadbox contact page, you must enter a security code before clicking the send button. If you type in this code and click the send button, you will also approve our GDPR policy. The information you provide in this contact form will be saved in our email system for further contact. If you want us to delete your contact information, just tell us and we will do this as soon as possible.

FCAB - Cadbox Registration:

1. The information you provide for registration will be saved in Cadbox database and also in our email system. You approve this by entering a security code before you click the Register button.

FCAB - Cadbox Quotations:

1. When you send a request from the Cadbox system, this information will be saved in Cadbox database and in our email system. You can also log in to view your own requests under my account / quotation history.

See also GDPR Tools section on the next page.

FCAB – Cadbox – GDPR Tools

The FCAB – Cadbox system contains a GDPR Tools function. You can go here by clicking [My account / My GDPR Tools](#).

In the GDPR Tools menu you can do the following:

1. Change / Update your account info.
2. Download your account data in a portable CSV format.
3. Request an email report with all your personal data that we store in the Cadbox system.
4. Request removal / anonymisation of your personal data that we store in the Cadbox system.
